### Talks to Schools and Community Groups

September 9 - I was the guest speaker at the Narre Warren & District Family History Group's inaugural meeting at the Cranbourne Library. I spoke about the history of the Cranbourne Library site. The land was originally part of the Mayune Run leased by the Ruffy Brothers from around 1836 and, from 1851, part of the *Mayfield* property owned by Alexander Cameron. Fast forwarding to 1982 the Sperry New Holland factory opened on the site. After their closure the site was purchased by the Shire of Cranbourne in 1994 and the Cranbourne Library opened in the old Administration building in 1996. We had a good turn up of 30 people.

On September 27, I spoke about the history of Pakenham to 50 people at the Evergreen Retirement Village at Pakenham. The Activities Co-ordinator is very organised and invited the local paper, the *Pakenham Gazette*, to cover the occasion which they did very comprehensively. Unfortunately for me I had made a mistake about the origin of a local hotel, this was reported and I then had three people (very politely) ring me up to tell me I was wrong! Anyway, I did some more research, wrote another story for the paper which they published and I must have got it right as I had no other complaints!

On October 16, I presented at the Narre Warren & District Family History Group's (NWDFHG) all day seminar. The seminar covered three topics - 'You can learn a lot in a cemetery', 'Finding records at PROV' and 'How Historical Societies can help you with your family history'. It was this last topic that I presented.

On November 1, Lynne Bradley from the NWDFHG and I spoke to 13 people at the Evergreen Retirement Village in Pakenham on 'Tracing your family tree'

### Local History and Family History launch

On October 17, we had an official launch to celebrate the relocation of the Narre Warren & District Family History Group and the Local History Archive (which I manage) from the Narre Warren Library to the Cranbourne Library. We had 35 people attend including many representatives from the members of the Local History Reference Group. The official honour was undertaken by the Mayor of the Cardinia Shire, Cr Brett Owen. The *Pakenham Gazette* gave us a good write up as well.

### The Victoria Cross: Australia Remembers

On November 2, the Cranbourne Library had Michael Madden as a guest speaker. He is the author of the forthcoming publication, *The Victoria Cross: Australia Remembers*. The book covers the lives of the 100 Australian recipients of Victoria Cross. Michael has done extensive research into the recipients and has managed to track down a number of family members to get personal perspectives on their lives. Has even travelled to England to see the prototype of the Victoria Cross, held in the Queen's private collection at Buckingham Palace and interviewed the jewellers at Hancocks in London who have been responsible for making the medals since 1856. Proceeds from the book all go to TPI Victoria and they can be pre-ordered

## Annual General Meeting

At our AGM held in August, all the office bearers were re-elected: President ~ Colin Butler; Vice President ~ John Denholm; Secretary – Polly Freeman and Treasurer ~ Carol Edwards.

## Museum Visits

- Tooradin Primary School Preps, Grade 1 & Grade 2's visited the Museum in August.
- We have had two visits from the Bass Health Mens' Group and they particularly enjoyed the machinery shed. They then have lunch at the Sports Club at Tooradin.

## Museum Maintenance

The City of Casey is undertaking maintenance work at the museum. They have replaced weatherboards on the cottage and will do more both on the cottage and school.

## Talk to Cranbourne Probus

Polly & Barry Freeman spoke to the Cranbourne Probus Club about the Historical Society and the Museum. They also took a few 'What do you think they are?' items plus a few exhibits from the shed.

## 50<sup>th</sup> anniversary celebrations in 2018

We turn 50 next year and are planning a series of events to celebrate this milestone. The Society was formed in 1968, its primary aim at the time was to save the "Sportsman Rest" fisherman's cottage, built c. 1873, on the Foreshore at Tooradin, from demolition. A group of concerned citizens led by Mrs Kath Metherall (the winner of the Garryowen trophy at the Royal Melbourne Show on two occasions), Mrs Peggy Banks and Mrs Jess Ayres convinced the Shire of Cranbourne to purchase the property, which they did on the proviso that the "group" repay half the \$6,000 purchase price. This was done eventually. It is now used as our Museum.

## Report to SEHA meeting on Sunday 5 November 2017 hosted by Lang Lang Historical Society

- 1 Our president Chris Keys had been away from August until October on a much-deserved overseas trip, mainly to France and Italy. While in Paris, she found time to research what happened to three Dandenong boys who lost their lives in WW1 in France.
- 2 The Dandenong Journal recently published a special "Dandenong Then and Now" issue. Journal staff spent hours at our Rooms sourcing photographs and information from our collection for this project. As a result the Society and its volunteers received excellent coverage in this special issue.
- 2 The Society will once again have a display and stand at the Dandenong Show, in the Arts and Craft Pavilion on Saturday 11 and Sunday 12 November. This has become an annual event for DDHS giving us an opportunity to showcase our photographic collection and promote our Society to the community.
- 3 The DDHS Annual General Meeting will be held on Sunday 19 November 2017 at the Administration Building in the Dandenong Showgrounds from 2.00pm. The guest speaker will be Chris Keys, who will talk about the Ross Family.
- 4 Our Christmas Lunch will be held on Sunday 3 December 2017 at the Dandenong Club, on the corner of Heatherton and Stud Roads Dandenong. The two-course Christmas meal will commence at 12.30pm at a cost of \$32 per person. This is an informal gathering enjoyed with like-minded friends. Bookings by Wednesday 22 November. Early payment will be appreciated.

Email: [dandhist@internode.on.net](mailto:dandhist@internode.on.net)  
or Mail: DDHS PO Box 8029 Dandenong 3175.  
In person: DDHS Rooms, 1st Floor 39 Clow Street on Wednesdays.
- 5 Sunday 18 February 2018 will be our first general meeting next year. It will be held at the Administration Building, Dandenong Showgrounds from 2.00pm. Guest speaker: John Woolley - Memories of Gartsides and Max Curtain
- 6 Sunday 15 April 2018 - general meeting at the Administration Building, Dandenong Showgrounds from 2.00pm. Guest Speaker: Casey Neill - Working for the Dandenong Journal
- 7 At the beginning of this year, a large family bible was handed in at the Dandenong Benevolent Society opportunity shop, now under the auspices of the Springvale Learning & Activities Centre (SLAC). The family details handwritten in the front of the bible originated from Ballarat in the 1850s. DDHS contacted the Ballarat Historical Society to see if they were interested. As it had belonged to the Rand family, who were drapers in Ballarat, the Ballarat Historical Society were keen to have the bible. Someone from SLAC was going to Daylesford and was able to return the bible to its rightful home.

**MORNING COFFEE:** Morning Coffee [entry fee \$5] will be held on **Thursday 16<sup>th</sup> November at 10.15 am** at the Hastings Museum. The topic of The Hastings Bush Nursing Hospital that became The Bays Aged Care will be presented by our member, Janice Danaher OAM on the early history and Erina Rewi, the manger of the Hastings Bays Aged Care will speak on future developments. Bulldozers arrive in November to demolish the "old building" that is to be replaced by a state-of-the art double storey brick building. As usual at our morning coffees, there will be a lucky-dip-affle – 3 tickets for \$2 - where "fun" items beautifully wrapped with ribbons, can be chosen by each lucky recipient. All funds raised go toward the museum's projects.

**MORNING COFFEE on Thursday 8<sup>th</sup> FEBRUARY 2018.** This will be held at the museum at 10.15 am. The Morning Coffees reach people who would not otherwise come to the museum as well as providing money towards our projects.

*Please note the above dates in your diaries....we would love to see you!*

**GROUP VISIT TO MUSEUM.** A visit was made by the Banksia seniors group of a bus-load of elderlies and disabled people on 30<sup>th</sup> October. They thoroughly enjoyed seeing all the exhibits and everyone, including us, learned some new facts about our history. Of special interest was the fruit growing display, the model boats and fishing boat *Johnanna* as well as the 40 pounder Armstrong gun.

**PHOTO DISPLAY:** The photo display in our main museum has been given attention so that the photos are now in chronological order. Thanks to Lance Hodgins (our secretary) and John Woolley (our vice-president) for looking after this.

**HISTORY WEEK.** Our museum had a small display on Toys to celebrate this event. These were featured on the Society's Facebook page. Please have a look!

**MEMORIES SHARED.** A special Commemoration service on Saturday 28<sup>th</sup> October, was held with approximately 150 people (including our members) present enjoying the re-telling of the efforts to get a Bush Nursing Hospital at Hastings. Our member, Janice Danaher OAM compered the afternoon and gave a comprehensive talk about the early days. This was followed by Shirley Davies giving humorous snippets of two of the early motivating persons; Dr Arthur Haywood and Mrs Harriet Gold. Then many people shared their memories, including Dr Haywood's grandson, Robert. It was so nice that our member, Jean Sawyer (also a member of Lang Lang & District Historical Society) travelled to Hastings for this special day. Jean had been a Deputy Matron and Acting Matron after she arrived in Australia from England. Erina Rewi, current manager of The Bays Aged Care Hastings spoke of the future. Also speaking were those currently in charge of The Bays Mornington. Fundraising for the **Hastings Bush Nursing Hospital** commenced in 1929 and the hospital was **officially opened on 17<sup>th</sup> July 1930 at the cost of £1,075**. The hospital had 8 rooms – two wards and a sleep-out verandah. Shirley Davies offered the prayer of thanks for all the caring and services, past and present, within the walls of the buildings.

**THE SPIRIT OF LANG LANG**

**LANG LANG AND DISTRICT  
HISTORICAL SOCIETY**

are celebrating 20 years since it's formation in 1998.

Our Society has great delight in presenting to the Community a condensed record, spanning 140 years of Lang Lang's unique history, outlined in

**20 year time frames.**

From 1878 when the Post Office was gazetted at the Tobin Yallock store, with J.G. Hudson as the Postmaster, to our present Postmaster Robin Elijah, in Westport Road in 2018.

**Lang Lang Post & Telegraph Office.  
Circa 1934.**

**Our major project** for this year is to produce a quality booklet, to be produced and distributed free to all residents of the town. It will be a potted history of the town over the time between the gazetting of the first Post Office in Tobin Yallock in 1878, to the present day. A period of 140 years, split into chapters of 20-year time spans. The drafting, revisions and tinkering of this has been time consuming, frustrating and rewarding to see it all come together. It is now at the printers and we should have it back by the end of the month. We would like to thank the **"Friends of the Memorial Hall Op-Shop"** for the grant given to us for the costs associated in producing this book and distributing it for free.

With 1000 copies printed, the Lang Lang Post Office will be delivering them to every property in the town and surrounding areas in

the 3984 postcode area in mid to late January. Extra copies if required, will be available at a small cost from the Society. **This booklet was inspired as a part of our 20<sup>th</sup> Anniversary celebrations**, coming up in April 2018. Further events are being planned and details will follow they are finalised.

We held our AGM last month, with no changes in the Executive positions, Jean Hayden, Peter Hayden and Joy Adderley remain President, Secretary and Treasurer respectively. There were a few changes to the Committee members.

We have recently mounted a flagpole in the gardens outside the Display Centre which looks pretty good and adds some balance to the garden and building.

We are also awaiting the outcome of a Heritage Grants application to the Cardinia Shire. This will enable us to repair all the cracks, holes and blemishes in the walls and ceilings, then repaint the interior of our Centre.

Over the last couple of years, Jean has been amassing photos of the historic farm houses around the district and we have been attempting to collate them into a video display. This has dragged on and been put on the back burner numerous times as other projects keep taking priority. It is now coming to fruition with the production of a PowerPoint display which we are now running on the TV in the Centre. In two parts for the farm houses and homes in the town itself. It runs as a series of "Then and Now" photographs and relevant captions showing the changes that time, and changes of ownership have wrought. The final stage is to get all on a CD/DVD that will play on any TV or computer, so it may be distributed to all the relevant home owners.

The Society is having its Christmas break-up at The Palace Hotel on November 21<sup>st</sup>. The Centre will be closed over December and January, but the "by appointment " openings will still operate if needed. Normal open hours will resume the first Wednesday in February.

Peter Hayden.

In August we had our elections and the office bearers have remained the same as last year,

Senior Vice President	Bill Warner OAM
Junior Vice President	Marian Rollings OAM
Secretary / Treasurer	Robyn Robie

We had a very successful "Mad Hatter Exhibition". With over 400 people coming and some coming a few times to see it all.

The Donations continue to come and will be packed up and moved with us,

One donation was the honour board for the Springvale Junior Football Club from 1965 to 2003 which has had to be cut into 5 pieces.

Do you remember the old copiers that were used for newsletters and notices for the school children, we were donated a Gestetner with papers from the Church of Christ and the Cricket club in the 1970's.

Also, we have had donated some "Herald Suns" before the merger of the two papers and an old Age.

Two weeks ago we had an old trunk that travelled from Scotland to London and then to Victoria you can just see some of the labels. The family also donated some toys and lasts for repairing shoes not a three footer but separate ones with different size feet.

### S.E.H.A. REPORT

The last few months have been very busy and after just completing the rosters for the various activities over the next three months I don't think it is going to slow down.

- Our Annual Dinner is our next major event and information was sent out with our Newsletter, The Plod, or posted/delivered to many families and organizations. The topic for this year's dinner is 'The first wave of Wonthaggi Italians, 1920 – 1939. The response has been great and it will be a very informative and entertaining evening. Sam Gatto has spent numerous hours researching, interviewing and gathering photos. There are several speakers.
- Seniors' Events and History Week Event were well supported. In keeping with our Seniors' tradition, we had a bus load of people for our guided bus tour. Each year we take a different part of our history to showcase. This year it was South Dudley and North Wonthaggi. The "Stories from the Past" saw five very different speakers tell about their early childhood in Wonthaggi & District. "Tales from the Tombstones" was our first cemetery walk and seven local identities' tales were told. Next year we will add to this tour with another set of identities.
- Our Museum has had some painting done so it has freshened up the inside and hopefully preserved some of the outside. We had to move/clear away some exhibits/displays and it is taking us a while to get everything back in order.
- The Rotary Market in Apex Park has been out of action for many months due to the wet weather so our fundraising for the extensions has been a bit slow but we hope to be back in action for November.
- We will be opening the Museum on a daily basis from January 28 until late January.

- You will see us at the Bass Coast Agricultural Show. We will have a display and sales in the Angling Club Room and the trailer outside this venue should have a display.
- Sam Gatto is to be congratulated for his award at the recent Victorian Community Awards. His book, "Contribution and Conflict – A History of Wonthaggi and the First World War" was highly praised.
- The West Wing Extension Project has made some progress with support from Heritage Victoria representative who visited some weeks ago and a presentation to our new Bass Coast Shire councillors so we continue to work toward seeing the job done.
- There has been much activity in the Museum on Tuesdays and Thursdays in recent months as football clubs celebrate special milestones in their history. Our local newspapers are an invaluable source of information and photos. Our newspapers have been catalogued, which makes the task much easier. Our photos continue to be catalogued, a new member has taken on the task of cataloguing and preserving many of the large objects and our filing cabinets with documents/records /information etc. are currently being catalogued. Much has been achieved over the last few years, thanks to the hard working group who regularly meet twice a week.
- Our October Meeting was a "Pie Night" and about 33 people enjoyed the company, the social interaction and discussion, the pies/pasties/quiches and desserts before the meeting.
- The Plod, our newsletter, and the monthly essay/story is popular with members and it can sometimes be found on line in the Bass Coast Post. Spare copies of the essay are popular with visitors and we take selected copies to events where we take displays, have speakers or sell books.
- The last report for the year! We hope you all have a happy and safe Christmas and New Year! Laurie should be back for the next meeting and we might see you at our Annual Dinner. MERRY CHRISTMAS!!!!!!!
